The information disclosure statement filed December 16, 2003 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each U.S. and foreign patent; each publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.
2. The publications provided by the applicant could not be considered because none had all the pages cited as possibly relevant by the applicant. Appropriate correction is required.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
